

**Walker County Public**  
**Safety Communications**  
**Center is currently seeking**  
**licensed and non-licensed**  
**Public Safety**  
**Telecommunicators**

The Walker County Public Safety Communications Center is a fast paced, combined, multi-jurisdictional, multi-disciplined, Emergency Communications Center serving all Law Enforcement, Fire and EMS agencies within Walker County except SHSU PD. WCPSCC serves a community of over 70,000 using technologically advanced Computer Aided Dispatch, E-9-1-1, and radio systems. WCPSCC typically answers over 160,000 phone calls including nearly 50,000 9-1-1 calls resulting in over 100,000 calls for service. For questions regarding the position, hiring process, and benefits package please visit our website: <https://www.co.walker.tx.us/depart ment/index.php?structureid=7>
