ACTION: Information received by the Court. The notice from the Appraisal District included information about two tax rates used in adopting the current tax year's tax rate. The no-new-revenue tax rate would impose the same amount of taxes as last year if you compare properties taxed in both years. In most cases, the voter-approval tax rate is the highest tax rate a taxing unit can adopt without holding an election. In each case, these rates are calculated by dividing the total amount of taxes by the current taxable value with adjustments as required by state law. The rates are given per \$100.00 of property value.

This year's no-new-revenue tax rate is \$0.4153/\$100.00.

This year's voter-approval tax rate \$0.4226/\$100.00.

Overlapping Calls (LEVEL 0) 20

Run number Jan.1- July 1

Every time a green line goes above the red line we are at level 0. Anytime it hits 5 we have at least 1 call holding. Anytime it hits 6 we have 2 calls holding and so on. This is a chart that tracks overlapping calls. So the "1" actually means we have 2 calls going on since it's 1 instance of overlapping calls.

Interlocal Cooperation Agreement #1
For School Resource Officer 2024-2025

The State of Texas

County of Walker

This agreement (the "Agreement") is made this ____ day of _____ 2024, by and between Walker County ("County") and New Waverly Independent School District ("NWISD").

Witnessed:

Pursuant to the authority granted by the Texas Interlocal Cooperation Act (Chapter 791, Texas Government Code) providing for the cooperation between local government (as defined in the Act), the parties hereto, in consideration of the premises and mutual promises contained herein, agree with regard to a School Resource Officers Program (Police Services) as follows:

School Resource Officer Program Established:

The Walker County Constable Pct. 4 will staff a School Resource Officer (SRO) consisting of one (1) Deputy Constable to provide school resource and police services throughout the boundaries of NWISD.

Obligations of Parties:

The County, including the SROs, shall have the status of an independent contractor for the purposes of this Agreement. An SRO assigned to the District is an employee of the County and shall not be considered an employee of the District. As such, the SRO shall be subject to Walker County Constable Department Pct. 4 control, supervision, policies, procedures, and directives.

Compensation and fringe benefits shall be paid directly by the County and shall be in accordance with the County's policies as established for its employees. The County shall maintain appropriate Worker's Compensation coverage for each SRO in accordance with coverage maintained for all other police officers employed by the County.

The Constable's Department will provide the SRO with uniforms and equipment in accordance with Department policy.

The SROs will carry radios that will allow contact with central dispatch and emergency medical services. In addition, cellular telephones for each SRO will be provided by the officer.

The Constable's Department will provide the SRO with all training necessary for the acquisition and maintenance of state licensing and certification requirement for police officers.

The SRO budget will cover the costs of training the SRO specific to the function of the SRO, including but not limited to the Basic School Resource Officer course approved by the Texas Commission on Law Enforcement Standards and Education, District policies regarding student confidentiality, and guidelines regarding the Federal Education Right to Privacy Act (FERPA).

The SRO is subject to current procedures in effect for Deputy Constables, including attendance at all mandated training and testing to maintain state peace officer licensing and certification. This training and certification will take place throughout the year and may necessitate the temporary absence of the SRO from his/her assigned campus.

The District will provide the SRO with access to an office that affords security and privacy and such equipment as is necessary at the assigned school. This equipment should include, but is not limited to a phone, access to a computer, and filing space capable of being secured.

In compliance with County policies, SROs will carry with them any approved weapons deemed necessary to successfully complete their day-to-day law enforcement duties.

Scope of the SRO program:

The SRO will work in concert with the school principal(s), or the school designee, meeting with the principal(s) on a periodic basis.

The SRO will meet with the respective school campus staff on a regular basis as determined by the respective principal.

The Deputy Constable and NWISD will coordinate with the Principle, any use of K-9 operations on NWISD campuses.

Citations issued by Deputy Constables for Class C misdemeanor offenses in connection with the SRO program will be filed in the Justice of the Peace Pct. 4 court. Class A and B misdemeanors and felony offenses will be filed in the court having jurisdiction over the offense.

Documentation created by the SRO that pertains to the NWISD student and is shared with NWISD staff may be considered educational records of the student. Documentation created by the SRO strictly for law enforcement purposes and not shared with the NWISD staff may constitute law enforcement records and not educational records of the students. Records and documentation may be treated differently depending upon the purpose, content, and how the documents are maintained and shared. Disclosure of these records will be in accordance with state and federal law.

The SRO may perform other duties as may be mutually agreed upon in writing by the Constable and the District.

Provided further that nothing required herein is intended to or will constitute a relationship or duty of the assigned Deputy Constable or the County beyond the general duties that exist for a law enforcement officer within the state.

Cost sharing:

The District agrees to reimburse the County in the amount of \$ **76,955.00**. The factors that will affect the cost will be Workers comp, retirement, fuel, unemployment, health Insurance, FICA, uniforms, vehicle maintenance, Software Maintenance, communication air cards, vehicle maintenance, equipment maintenance.

For annual budgeting purposes, the cost of the program will be projected by the Constable's Department and agreed upon in time for the District and County to incorporate the projection into the annual budget planning process of both entities.

The SRO will check in and out with the designed school staff upon arriving or departing from campus unless circumstances prevent the SRO from doing so.

The SRO will assist District staff in maintaining order on school property.

The SRO will take appropriate law enforcement action, consistent with a police officer's duty. As soon as practical, the SRO will make the principal of the school aware of such action. Whenever practical, the SRO will advise the principal when requesting additional police assistance on campus.

The SRO **WILL NOT** act as a school disciplinarian. However, if the principal believes an incident involves a violation of the law, the principal may contact the SRO and the SRO will then determine whether law enforcement action is appropriate.

The SRO officer will provide SRO services to NWISD on each day of the school year and all **Home Varsity football and Varsity Basketball games. The SRO may provide services at other events after approval from the Constable of Pct. 4.**

The SRO will provide school resource services which include, but not limited to, the activities listed under this section and law enforcement functions.

County will prepare and adopt a budget for the SRO program each year based on the County's fiscal year, October 1 through September 30, and will submit a copy of the approved budget to NWISD. County will submit a copy of proposed SRO for each fiscal year no later than July 1, of the respective year so that NWISD may submit comments to the County concerning the SRO budget.

Payment to the County will be a one-time payment due October 31, of each year for the upcoming year.

With the knowledge and consent of both parties, the District or the County may apply for a funding grant to offset the cost of the SRO program or a portion thereof.

Obligations of Parties:

The County, including the SROs, shall have the status of an independent contractor for the purposes of this Agreement. An SRO assigned to the District is an employee of the County and shall not be considered an employee of the District. As such, the SRO shall be subject to Walker County Constable Department Pct. 4 control, supervision, policies, procedures, and directives.

Compensation and fringe benefits shall be paid directly by the County and shall be in accordance with the County's policies as established for its employees. The County shall maintain appropriate Worker's Compensation coverage for each SRO in accordance with coverage maintained for all other police officers employed by the County.

The Constable's Department will provide the SRO with uniforms and equipment in accordance with Department policy.

The SROs will carry radios that will allow contact with central dispatch and emergency medical services. In addition, cellular telephones for each SRO will be provided by the officer.

The Constable's Department will provide the SRO with all training necessary for the acquisition and maintenance of state licensing and certification requirement for police officers.

The SRO budget will cover the costs of training the SRO specific to the function of the SRO, including but not limited to the Basic School Resource Officer course approved by the Texas Commission on Law Enforcement Standards and Education, District policies regarding student confidentiality, and guidelines regarding the Federal Education Right to Privacy Act (FERPA).

The SRO is subject to current procedures in effect for Deputy Constables, including attendance at all mandated training and testing to maintain state peace officer licensing and certification. This training and certification will take place throughout the year and may necessitate the temporary absence of the SRO from his/her assigned campus.

The District will provide the SRO with access to an office that affords security and privacy and such equipment as is necessary at the assigned school. This equipment should include, but is not limited to a phone, access to a computer, and filing space capable of being secured.

In compliance with County policies, SROs will carry with them any approved weapons deemed necessary to successfully complete their day-to-day law enforcement duties.

Scope of the SRO program:

The SRO will meet with the respective school campus staff on a regular basis as determined by the respective principal.

The Deputy Constable and NWISD will coordinate with the Principle, any use of K-9 operations on NWISD campuses.

Citations issued by Deputy Constables for Class C misdemeanor offenses in connection with the SRO program will be filed in the Justice of the Peace Pct. 4 court. Class A and B misdemeanors and felony offenses will be filed in the court having jurisdiction over the offense.

Documentation created by the SRO that pertains to the NWISD student and is shared with NWISD staff may be considered educational records of the student. Documentation created by the SRO strictly for law enforcement purposes and not shared with the NWISD staff may constitute law enforcement records and not educational records of the students. Records and documentation may be treated differently depending upon the purpose, content, and how the documents are maintained and shared. Disclosure of these records will be in accordance with state and federal law.

The SRO may perform other duties as may be mutually agreed upon in writing by the Constable and the District.

Provided further that nothing required herein is intended to or will constitute a relationship or duty of the assigned Deputy Constable or the County beyond the general duties that exist for a law enforcement officer within the state.

Cost sharing:

The SRO will check in and out with the designed school staff upon arriving or departing from campus unless circumstances prevent the SRO from doing so.

The SRO will assist District staff in maintaining order on school property.

The SRO will take appropriate law enforcement action, consistent with a police officer's duty. As soon as practical, the SRO will make the principal of the school aware of such action. Whenever practical, the SRO will advise the principal when requesting additional police assistance on campus.

Walker County Commissioners Court

Hello All ,

My name is Coy Clayton. I moved to Carolina Cove in Walker County in June of 2005. My wife and I have raised our family and participated in the community since that time. We were fortunate enough to purchase the Cove Marina in 2013, and have since opened a small rotating equipment business here in Walker County as well. We have planted roots here and have now begun to welcome the 4th generation of our family that calls Walker County "home".

I joined the Thomas Lake Rd Volunteer Fire dept. in 2007 and remained active in the department in various capacities over the years. Father time has recently made it abundantly clear to me that my days of running into burning buildings are well behind me. And any remaining amount of physical energy that I may still possess should be reserved for running out instead.

With that said I do still have a strong desire to continue to contribute to fire and emergency service in our area. Due in part to the years of tactical experience that I bring to the table, coupled with my willingness to work with others that may or may not have opinions that differ from mine, I do believe that I can serve as an asset to Walker County ESD 1 and help to navigate the challenges ahead as the ESD begins to evolve and take new shape.

Therefore, I humbly request that you consider appointing me to the The Walker County ESD 1 Board of Directors.

Sincerely,

Coy Clayton
