Addendum #1- 4/9/2025

C2360-25-018 - Walker County Jail Water Conditioning System Upgrade

Solicitation Closing Date & Time: April 16, 2025 at 11:00AM (C.T.)

- Question:** I have taken a good look through the specs required by engineering. There is work that needs to be done by a plumber and electrician. We do not have licenses for that type of work. Typically, we only tie in our equipment to an existing 3 valve bypass installed by a licensed plumber. Also, the bid asks for NaturalSof Water System. Is there one in particular that you were looking at? I have not dealt with this company so I would need to work with their sales team to get the right product for your application. I do not mind doing that but I wasn't sure if you already had a system in mind, so I don't waste time with the wrong unit.

Answer:

The wording in the Project Notes "Package B 1) a)", namely "Naturalsof Pro Model NS96 (3" PS)," is the complete call-out for the softeners shown in Detail 3/Dwg PE8.11 (i.e., all that is needed to order the units).

There is a 2nd smaller unit required per Project Notes "Package B 1) b)", namely "Naturalsof Pro Model NS96 (1" PS)", which again is the complete call-out.

Finally, our area sales rep, Billy Barrick his contact information is number: Phone Number 281.644.9454, Email: BILLY@NATURALSOF.COM

- Question:** Can I get a copy of any addenda that have been released to date?
Answer: As of 4/2/25 there has not been an addenda released. This is the only addendum that has been released.
- Question:** What is the estimated construction budget?
Answer: The estimated construction budget is \$75,000 or less.
- Question:** Can I get a copy of the plan holder's list if available?
Answer: Walker County does not have a plan holder's list as we do not track vendors who have accessed the solicitation's documents and specifications.
