Fiscal Year 2014-2015
Annual Budget

**Shown on the cover and copied with permission of the artist,
Mr. Joseph Polley Paine, is a reproduction of a lithograph
he did for Huntsville's Bicentennial in 1976.**

JOSEPH POLLEY PAINE'S "Early Architecture of Huntsville"
is what the artist calls "Documentary art".

Across the top is a reproduction of Bollaert's sketch of Huntsville made in December, 1843. Englishman William Bollaert came to Texas, at General Sam Houston's invitation, to study the possibility of attracting immigrants. Bollaert's diary of his visit to Huntsville read, "Three miles brought us to Huntsville, situated on a pine height. This town was commenced in 1836, but made little progress until 1842 when Mr. MacDonald gave an impetus to building. On entering the town is observed a planter's exchange, Gibbs Grocery, Huntsville Hotel... Mr. MacDonald, besides a very large and comfortable residence, has built a brick store, the upper part devoted to a Masonic Lodge. A large brick building for girls and boys schools is now building and many other improvements going on."

Next in the artwork is the Cumberland Presbyterian Church erected in 1839. The Christian congregation purchased the property in 1868.

The third structure is MacDonald's (sometimes spelled McDonald's) brick store and Masonic Hall. It was redrawn from an 1844 map of the city.

The Huntsville Academy, also from the map of 1844, is right of the tower. The structure at the left is the third building used as the Walker County Courthouse. This building in 1888, was razed by fire.

The large building facing the right portion of the drawing is the original building in the state prison system. The building, along with several others in Huntsville, was "remodeled" or "modernized" and the tower was removed. This building was revamped in 1942.

At the right is Andrews Female College, a Methodist institution built in 1852, which later became public school property in 1879 and a frame building was put on the same site.

Built in the 1840's, Henderson Yoakum's home at Shepherd's Valley was where Yoakum wrote his "History of Texas." The history was published in 1855. Dog run style houses had a hall through the center 20 feet wide. On each side of the open hall were two 20 by 20 foot rooms. The sills of the hand-hewn logs were sixty feet long and three feet thick.

Now known as Old Main, the Sam Houston Normal Institute was dedicated in 1890. (Lost to fire on February 12, 1982)

The Austin College building behind the Normal Institute was dedicated in 1851 as a Presbyterian school. The Bell Tower shown in Mr. Paine's Lithograph is now at the Austin College in Sherman, Texas and is rung at graduation there. This building was the main structure at Sam Houston Normal Institute from 1879 to 1890.

The final structure in the Bicentennial work is Sam Houston's home, "Woodlands", which was built in 1847.

Artist Paine was assisted in his research by Mrs. Josephine Bush, keeper of the books in the Thompson Room of Sam Houston State University Library.

The audit contract shall require that the external auditor of the financial statements conform to standards promulgated in the General Accounting Office's *Government Auditing Standards*.

- C. **SELECTION OF EXTERNAL FIRM.** In the external audit firm selection process, Walker County shall issue a comprehensive request for proposals and follow Best Practice Guidelines issued by the GFOA for external audit procurement. In general, it will be the preferred practice of Walker County to rotate external auditors on a periodic basis. III. GRANT MANAGEMENT

- A. **GRANT APPLICATIONS AND ACCEPTANCE OF GRANTS.** Prior to applying for a grant, Department Heads/Elected Officials shall present to Commissioners Court a request to apply for the grant and identify out of pocket or cash requirements. Upon approval of the grant application, the department or official requesting the grant will complete the application for signature by the County Judge. - D. **GRANT BUDGETS.** Grant budgets are adopted at the grant level and a budget is accepted/established at the time of receipt of the grant and acceptance by Commissioners Court. Grants are not included as part on the annual budget adoption process or Order adopting the county budget. Most often grants do not follow the County's fiscal year. All grants revenues and expenditures are included in the Comprehensive Annual Financial Report (CAFR) and reported on the county's fiscal year.

IV. FUND BALANCE

- A. **GENERAL FUND - FUND BALANCE.** It shall be the policy of Walker County to maintain a General Fund balance of generally two to three months cash flow. A minimum preferred fund balance will be in the 16.67% range of the operating costs reflected in the most current General Fund budget.

B. **REVENUE GENERATED DURING THE BUDGET YEAR TO FUND OPERATING COSTS BUDGETED FOR THE FISCAL YEAR.** Walker County shall strive to fund all on-going costs during a budget year with revenues that are generated in the budget year. On-going costs not funded by revenues to be generated during the budget year shall be specifically identified during the budget process and the funding plan for future years shall be part of the budget planning process. A function that is to be placed within the tax rate over a period of years shall be part of the budget review process.

C. **FUND BALANCE CLASSIFICATION.** Fund Balances shall be reported in the Financial Statement in compliance with the Governmental Standards Board (GASB) Statement 54. One of five classifications will be used. The county governmental-fund financial statements will present fund balances classified in a hierarchy based on the strength of the constraints governing how those balances can be spent. The presentation is only for purposes of the CAFR and may result in a consolidation of related funds for reporting purposes. These classifications are listed below in descending order of restrictiveness:

- **Nonspendable:** This classification includes amounts that cannot be spent because they: (a) are not in spendable form (e.g., inventories and prepaid items); (b) are not expected to be converted into cash within the current period or at all (e.g., long-term receivables); or (c) are legally or contractually required to be maintained intact
- **Restricted:** This classification includes amounts subject to usage constraints that have either been: (a) externally imposed by creditors, grantors, contributors, or laws or regulations of other governments; or (b) imposed by law through constitutional provisions or enabling legislation.
- **Committed:** This classification includes amounts that are constrained to use for specific purposes pursuant to formal action of Commissioners Court prior to the end of the fiscal year. These amounts cannot be used for other purposes unless the Court removes or changes the constraints via the same type of action used to initially commit them. A commitment of fund balance requires formal action as to purpose but not as to amount; the latter may be determined and ratified by the Court at a later date.
- **Assigned:** This classification includes amounts intended by the county for use for a specific purpose but which do not qualify for classification as either restricted or committed. The intent can be expressed by Commissioners Court or by the County Auditor or other selected official. An assignment of fund balance implies intent of Commissioners Court.
- **Unassigned:** This classification applies to the residual fund balance of the General Fund and to any deficit fund balances of other governmental funds.

Order of Spending: Where appropriate, Walker County will typically use restricted, committed, and/or assigned fund balances, in that order, prior to using unassigned resources, but reserves the right to deviate from this general strategy.

D. **FUND STRUCTURE.** The Fund structure will generally consist of the General Fund, Debt Service Fund, Capital Projects Funds, Special Revenue Funds used for restricted revenue sources, and Special Revenue Funds created for accounting purposes for assigned or committed monies. For financial statement purposes, Special Revenue Funds may be reported as part of the General Fund or as a separate fund.

- E. **SPECIAL REVENUE FUNDS.** These funds are created to account for the proceeds from specific revenue sources that are restricted or committed to expenditure for specified purposes other than debt service and capital projects. Proceeds from specific restricted or committed revenue sources shall be the foundation of the fund. The county shall disclose the purpose for each major special revenue fund. Other resources such as interest earnings and transfers from other funds are restricted, committed, or assigned to the specified purpose of the fund and maintained as identified and required by statute. It shall be the policy of the County Auditor to establish separate funds as may be required/needed for budgeting and accounting for special purpose revenues including grants, projects, and other revenues for a specific purpose.
- F. **COMMITTED FUNDS-ROAD AND BRIDGE FUND.** Unrestricted monies remaining each year at the end of the fiscal year in the Road and Bridge Fund are committed to the purposes budgeted in the Road and Bridge Fund and available for expenditure in the following budget year.
- G. **COMMITTED FUNDS-EMS FUND.** Unrestricted monies available at the end of each fiscal year in the EMS Fund are committed to the purposes of Emergency and Transfer ambulance services in the EMS Fund.
- H. **COMMITTED FUNDS-PROJECTS FUND.** Monies available at the end of each fiscal year in a Projects Fund(s) or a Special Revenue Fund created for projects are committed to the project for which monies were intended until completion of the project, for that portion of the monies that are not restricted by external enforceable limitations.

- C. **MAINTENANCE OF PHYSICAL ASSETS.** The County will maintain its physical assets at a level adequate to protect the County's capital investment and minimize future maintenance and replacement costs. The budget will provide for the adequate maintenance and the orderly replacement of fixed assets.
- D. **SAFEGUARDING OF ASSETS.** The County's fixed assets will be reasonably safeguarded and properly accounted for. Responsibility for the safeguarding of the County's fixed assets lies with the department head or elected official in whose department the fixed asset is assigned. The County Auditor will be responsible for depreciation of assets and classification of assets for the financial reporting system. A copy of the invoice will be provided to the Purchasing department. The Purchasing department will maintain current files for all assets. A detail list of asset disposed of at auction including the asset number and tag number or id shall be provided to the County Auditor within 30 days of the auction.
- F. **MAINTENANCE OF RECORDS-ROAD AND BRIDGE PRECINCTS.** Each Precinct shall be responsible for tagging/otherwise marking all assets for identification, maintaining a list, and supporting records for assets and inventory maintained in the department for accountability and insurance purposes for those assets that are not maintained by the Purchasing Agent on the centralized assets reporting system. This list shall be made available to the Purchasing Department and County Auditor and review of assets against the listing and documentation will be part of the annual physical inventory by the Purchasing department. A physical inventory by the Precinct shall be conducted at least once each year. On or before May 1st of each year, a full inventory of these assets and inventory shall be conducted by the Precinct, records updated, and a report of the inventory findings, and current listing provided to the Purchasing Agent and County Auditor. A Commissioner may elect to have the assets recorded in the centralized asset reporting system to assist them in their record keeping. Each commissioner shall prepare a policy for inventory management to be followed for the accountability of inventory maintained by the department.
- G. **MAINTENANCE OF RECORDS-FACILITIES MANAGEMENT.** The department head responsible for facilities management shall be responsible for tagging/otherwise marking assets for identification, maintaining a list, and supporting records for assets and inventory maintained in the department for accountability and insurance purposes for those assets and inventory that are not maintained by the Purchasing Agent on the centralized assets reporting system. The inventory should include actual viewing by the purchasing department of the assets maintained in the assets records system, unless there is specifically approved exceptions by the Commissioners Court. Such inventory shall be performed in conjunction with the department head or elected official or a designated agent. A detailed listing shall be used and a complete review shall be made of all assigned fixed assets. A list signed by the Purchasing Agent and department head or elected official acknowledging the completeness and accuracy of the inventory shall be provided no later than July 1st of each year to the County Auditor as required by State Law.
- I. **INFRASTRUCTURE MAINTENANCE.** The County recognizes that deferred maintenance increases future capital costs. Funds shall be included in the budget each year to maintain the quality of the County's infrastructure.
- J. **SCHEDULED REPLACEMENT OF ASSETS.** As part of the ongoing replacement of assets, the County shall work towards development of an equipment replacement plan.
- K. **DELETION OF ASSETS FROM FINANCIAL REPORTS & INVENTORY LISTINGS.** Assets that are disposed of by the Purchasing Agent in accordance with state law may be removed from the records upon disposal of the asset (auction, trade in, destruction etc.) and notification to the County Auditor. The agreement with the employee is to be in a form approved by the District Attorney.

All charges to the credit card are considered a personal advance to the employee. Use of the credit card for personal use will result in cancellation of the credit card. Employee meals and fuel for personal vehicles may not be charged to a County Credit Card. Reimbursement for meals may be on a per diem basis or requested by providing detailed receipts.

The employee must agree to abide by the procurement and the travel policies and to strictly use the credit card for county purposes.

All charges to the credit card must be properly documented.

Documentation supporting the charge and approval for payment must be received in the County Auditors office within 10 working days of the charge.

A travel form with original invoices attached and documentation for the purpose of the travel must be provided within 10 days of travel for travel related charges to the credit card.

Purchase of supplies or services are to be documented with an original receipt for the purchase, and copies of the requisition and/or purchase order, if required in the county policies or state law. Purchase of supplies will always require a requisition. Use of the credit card is a form of payment and in no way shall circumvent the procurement process.

In the event the proper documentation and authorization for payment is not received within 10 working days or in the event that the purchase was not in compliance with county policies, the employee must authorize Walker County to deduct the amount of the charge from the employee's pay check.

In the event that proper documentation is not turned in within 20 days, further use of a county credit card will be denied and the employee must agree to turn in the credit card in addition to the deduction of the charged amount from the employee's pay check.

The cardholder will be responsible for personal payment of lost receipts.

Documentation for purchases and authorization for payment for travel related charges are to be provided on a travel form provided by the County Auditor and must conform to the travel policies. Other purchases will be authorized for payment by noting approval on the face of the invoice.

Commissioners Court encourages use of credit card companies that do not charge interest to the County.

The County Treasurer will administer the contracts and witness the signatures of the employees. A copy of the contracts is to be provided to the County Auditor. Employees must attend training before receiving a credit card.

In the event, the County Treasurer does not agree with assigning an employee a credit card, a presentation may be made to Commissioners Court by the department head or elected official to appeal the decision.

The authority of employees to use currently assigned credit cards will expire. Employees wishing to use credit cards after that time will be required to request use of the credit card under the new policies.

The County Treasurer may have credit cards that can be checked out for use by employees. The employee will be required to have an agreement on file for the limited purpose of using the card on a temporary basis. A copy of the agreement is to be provided to the County Auditor.

EMPLOYEE REIMBURSEMENT POLICY

It is the policy of Walker County that employees be reimbursed for necessary and reasonable job related expenses incurred in the authorized conduct of County business. All requests for reimbursement of expenses are subject to documentation and reasonableness and will be honored in conformance with adopted policies and procedures.

The County will comply with IRS regulations in reporting certain travel reimbursements (generally involving non-overnight travel) as reportable income for income tax purposes. All travel reimbursements that are required to be reported as taxable income will be reimbursed *as part of the biweekly payroll*. These requests must be turned in to the County Auditors office at the time that time sheets are turned in. A special form will be provided by the County Auditor for this purpose.

For meals on non-overnight travel, a county credit card may NOT be used because the reimbursement by the County will be taxable income to the employee. Other costs such as parking and fuel for a county vehicle may be placed on a credit card.

An employee may NOT use a county credit card to pay for a meal.

In general, the cost of meals, travel etc. will be on a reimbursement basis. Advances require prior approval of Department Head. An employee may request an advance if waiting for reimbursement would cause a hardship on the employee by preparing a travel request form and noting the nature of the hardship.

All necessary travel by county employees for conducting County business within the county is authorized, within budget restraints. Employees, including the E.M.S. Medical Director, who do not get a car allowance but use their private automobile in the scope of business, shall be reimbursed upon monthly submission of the mileage report on an approved form to the County Auditor's Office. Mileage is reimbursed at the current rate used by the Internal Revenue Service. Employees are expected to report the shortest distance between destinations for all travel. Travel between an employee's residence and a county office is not allowable for reimbursement. Mileage related to travel for training should be submitted with the travel request form.

The Department Head is responsible for authorizing, within budget restraints, all out-of-county travel for themselves or their employees. Reimbursement of out of-county travel costs is based upon the most economical mode of travel that is reasonably available. When personal automobiles are used, reimbursement is calculated using a Travel Mileage Guide plus up to 50 miles to cover travel between lodging and conference sites at the current rate used by the Internal Revenue Service. If using air service, reimbursement will only be for the amount of a tourist class ticket.

Commissioners' Court is responsible for authorizing, within budget restraints, all out-of-state travel for all County employees. The only exception is for Sheriff Deputies to transport prisoners from out-of-state. Reimbursement of out-of-state travel costs is based upon the most economic mode of travel that is reasonably available. When automobiles are used, reimbursement is allowed on the basis of actual mileage traveled by or by using the mileage chart at the current rate used by the Internal Revenue Service. If using air service, reimbursement will only be for the ticket.

Prior to registering for out-of-county conferences or continuing education, the department heads reporting directly to Commissioner's Court (E.M.S., Planning & Development) shall place on the agenda for approval, a request for travel, that includes, in a prescribed format, the total estimated cost of the conference/CEU including fees, meals, mileage and lodging. The conference brochure or literature should be included in the packet.

Employees engaged in necessary and authorized travel outside Walker County are reimbursed for actual subsistence expenses. Subject to documentation and reasonableness, subsistence expenses will be reimbursed, within the limitations, for the following:

- a. Seminar registration.
- b. Lodging - Up to the cost of the sponsoring hotel or necessary and reasonable lodging charges. Governmental type accommodations and rates are to be requested at all times. Room expense, including tax, is to be entered by day, and receipts are to be attached to the Travel Expense Form. Charges on the hotel bill for other than lodging are to be entered by day under their proper classification. An employee is expected to use the single room rate. If a non-county employee travels with the employee, the employee will be responsible for the difference in the single rate and increased occupancy charge. In general, the County will NOT reimburse the lodging cost for the night a seminar ends if the employee can reasonably be expected to return home. Employees should minimize overnight stays. It is generally expected that reimbursement for lodging the night prior to a seminar will be reimbursable only if the driving distance and conference start time make it unreasonable to travel the day of the seminar/meeting. If anything other than the room charge and hotel parking appear on the bill that will not be paid by the county, it is the responsibility of the employee to pay the supplemental charges and not charge to the county credit card. If the employee will be requesting reimbursement for any of the supplemental charges, a *detailed* receipt is required. Baggage handling, valet parking etc. is not reimbursable.
