

Notice About 2025 Tax Rates

Property Tax Rates in Walker County.

This notice concerns the 2025 property tax rates for Walker County.

This notice provides information about two tax rates used in adopting the current tax year's tax rate. The no-new-revenue tax rate would impose the same amount of taxes as last year if you compare properties taxed in both years. In most cases, the voter-approval tax rate is the highest tax rate a taxing unit can adopt without holding an election. In each case, these rates are calculated by dividing the total amount of taxes by the current taxable value with adjustments as required by state law. The rates are given per \$100 of property value.

This year's no-new-revenue tax rate \$0.4371/\$100.

This year's voter-approval tax rate \$0.4887/\$100.

Voter-Approval Tax Rate Adjustments

State Criminal Justice Mandate

The Walker County Auditor certifies that Walker County has spent \$387,035 in the previous 12 months for the maintenance and operations cost of keeping inmates sentenced to the Texas Department of Criminal Justice. Walker County Sheriff has provided Walker information on these costs, minus the state revenues received for the reimbursement of such costs. This increased the voter-approval tax rate by 0.0022 /\$100.

Indigent Defense Compensation Expenditures

The Walker spent \$813,630 from July 1 2024 to June 30 2025 to provide appointed counsel for indigent individuals, less the amount of state grants received by the county. In the preceding year, the county spent \$746,068 for indigent defense compensation expenditures. The amount of increase above last year's indigent defense expenditures is \$67,562. This increased the voter-approval tax rate by 0.0006/\$100 to recoup the increased expenditures.
