ADDENDUM #1

C2360-26-010 Walker County Pest Control Services

Vendor Question and Answers:

1. **Question:** How do I submit my bid can I email the package or it has to be mailed in certified?

Answer: Please refer to the first page of the solicitation. It reads that Hand delivered or mailed solicitations must be SEALED in an envelope and CLEARLY marked as: IFB# C2360-26-010 Pest Control Services. It also states that solicitations can be mailed or delivered to: Walker County Purchasing Office 1301 Sam Houston Ave. Suite 235, Huntsville, TX 77340.
No electronic submissions will be accepted.

2. **Question:** The form seems to include termite and flea control as part of the general service. Both of those are considered specialty services in our industry. Termite treatments would require an inspection and graph of each structure, and flea work also varies greatly depending on the size and conditions of the building. Without seeing the properties, I would not be able to provide accurate pricing, and while the likelihood of these services being needed is low, I also want to avoid leaving them bundled in a way that could create confusion later. Could you clarify whether you'd like me to provide separate pricing for these services, or note them as exceptions to the general service?

Answer: For Termite and Flea services please include these fees on page 12 of 18 of the solicitation; Any additional fees/charges.
