

## PUBLIC NOTICE OF THE ADOPTION OF COUNTY ROAD MAP

Pursuant to Article 258.005 of the Texas Transportation Code, the Commissioners Court of Walker County, Texas provides this notice to the public of the adoption of a County Road Map on December 22, 2008, including each road in which the County claims the continued existence of a public interest and right of access and egress for maintenance of an existing County Road. A County Road Map including each road or portions of each road in which the County claims a public interest is available for inspection at the County Clerk's Office at the Walker County Courthouse.

The Commissioners Court conducted numerous hearings prior to the adoption of the County Road Map on December 22, 2008. A list of the roads included in the adoption is included herein; however, the failure to include a road in which the county has previously acquired a public interest by purchase, condemnation, dedication, or a court's final judgment of adverse possession, or any other legal means does not affect the status of the omitted road.

A person asserting a private right, title, or interest in a road in which the existence of a public interest is asserted may contest the inclusion of the road in the county road map by filing a suit in a district court in the county in which the road is located not later than January 1, 2018, said date exceeding the second anniversary of the date of this final notice.
