Governor Abbott’s Executive Order GA-21, as it pertains to cosmetology salons, hair salons, barber shops, nail salons/shops, and other establishments where licensed cosmetologists or barbers practice their trade, is hereby amended to immediately reopen, retroactive to April 2, 2020, such salons, shops, and establishments to the extent necessary to supersede and nullify the existence of any prior or existing state or local executive order, the violation of which could form the basis for confinement in jail. To the extent any order issued by local officials in response to COVID-19 would allow confinement in jail of a person inconsistent with Executive Order GA-21 or this executive order, that order is hereby superseded retroactive to April 2, 2020. All existing executive orders relating to COVID-19 are hereby amended to eliminate confinement in jail as an available penalty for any violation of the executive orders. No jurisdiction can confine a person in jail as a penalty for violating any executive order, or any order issued by local officials, in response to the COVID-19 disaster. To the extent any order issued by local officials in response to the COVID-19 disaster would allow confinement in jail, that order is hereby superseded, and I hereby suspend all relevant laws to the extent necessary to ensure that local officials do not confine people in jail for violating any order issued in response to the COVID-19 disaster. This amendment and suspension operates retroactively to April 2, 2020, and supersedes any contrary local or state order.

Guidelines for opening businesses can be found on the Governor’s website at www.gov.texas.gov
