Affordable Care Act Reporting and Tracking Service (ARTS) Renewal Information

The Texas Association of Counties Health and Employee Benefits Pool (TAC HEBP) has begun the renewal process for those counties and districts participating in the Affordable Care Act Reporting and Tracking Service (ARTS). Renewal will enable your entity to produce the forms required by IRS Sections 6055/6056 for calendar year 2024, assuming this reporting continues to be a requirement. Reporting will consist of Form 1095C, which must be provided both to employees and the IRS (plus transmittal Form 1094C, filed with IRS). Current law requires all employers with 50 or more full-time equivalent employees to file these forms. ARTS will provide measurement period tracking for 2024 and beyond (to determine whether an employee must be offered health coverage), as well as affordability testing for groups that require employee contributions toward the cost of their own health coverage.

As your county or district provides health benefits through TAC HEBP, ARTS will continue to be available at NO COST in 2024, assuming program deadlines are met.

Your entity will need to continue sending employee, payroll, and unpaid leave of absence files to TAC HEBP in order to utilize this service for the 2024 reports. **Payroll data must be provided for each payroll cycle. Employee files must be provided, at a minimum, once per quarter. LOA files may be provided if and when applicable.** The information provided will be used to determine:

- 1) whether individuals are eligible for a federal premium subsidy or tax credit; and
- 2) whether your entity is subject to penalties under the ACA employer mandate.

Some payroll vendors have worked with TAC to produce these files for you. You will be responsible for the completion of required information in your payroll system and submission to TAC, but this eliminates the need for manually producing additional spreadsheets.

If you use a payroll system that will produce the required IRS forms, and you determine that your entity does not need measurement period tracking or affordability monitoring, you may not need ARTS. It is a service offered by TAC and is completely optional.

Enclosed is the **2024 ARTS Renewal Confirmation Program Agreement** on page 1. Please return a signed copy (initials on pages 1 and 2, signature on page 3) to your Employee Benefits Consultant or email to ARTS@county.org no later than 3/31/2024 if your entity wishes to continue its participation in the program. If you have any questions, please contact your Employee Benefits Consultant at (800) 456-5974.

Sec. 251.058. CLOSING, ABANDONING, AND VACATING PUBLIC ROAD. (a) A property owner may not enjoin the entry or enforcement of an order of a commissioners court, acting at the request of any person or on its own initiative, to close, abandon, and vacate a public road or portion of a public road unless the property owner is entitled to an injunction because:

(1) the person owns property that abuts the portion of the road being closed, abandoned, and vacated;
or

(2) the portion of the road being closed, abandoned, and vacated provides the only ingress to or egress from the person's property.

(b) Title to a public road or portion of a public road that is closed, abandoned, and vacated to the center line of the road vests on the date the order is signed by the county judge in the owner of the property that abuts the portion of the road being closed, abandoned, and vacated. A copy of the order shall be filed in the deed records of the county and serves as the official instrument of conveyance from the county to the owner of the abutting property. The order shall:

(1) include the name of each property owner who receives a conveyance under this section;

(2) include the dimensions of the property being conveyed to each property owner;

(3) be indexed in the deed records of the county in a manner that describes:

(A) the county conveying the property as grantor; and

(B) the property owner receiving the conveyance as grantee; and

(4) if a public utility or common carrier that has the right of eminent domain is using the property being conveyed for a right-of-way or easement purpose, state that the title to the property is subject to the right-of-way or easement and the continued use by the public utility or common carrier of utility infrastructure in existence on the date the order is signed.

(b-1) Not later than the 30th day before the date an order is signed under Subsection (b), the commissioners court shall notify a public utility or common carrier described by Subsection (b)(4) of the proposal to close, abandon, and vacate the public road or portion of the public road.

(c) This section does not deprive a person whose property abuts the road at a point other than the portion of the road being closed, abandoned, and vacated of a right to seek compensation for damages caused by:

- (1) any depreciation in the value of the property; or
- (2) any impairment to the property owner's right of ingress to or egress from the property.

(d) If a commissioners court closes, abandons, and vacates a public road or a portion of a public road at the request of an owner of property that abuts the portion of the road being closed, abandoned, and vacated, the commissioners court may require the owner to:

- (1) pay all reasonable administrative costs incurred for processing the request and recording the order described by Subsection (b) in the county deed records; and
- (2) reimburse the county for the market value of any property interest conveyed to the owner.

(e) A county by order of the commissioners court may adopt standard fees required to be paid under Subsection (d)(1) for processing a request and recording an order.

(f) For purposes of Subsection (b), "utility infrastructure" includes any facility owned by:

- (1) an electric utility, as defined by Section [31.002](#), Utilities Code;
- (2) a gas utility, as defined by Section [101.003](#) or [121.001](#), Utilities Code;

ARTICLE 1: LEGAL AUTHORITY

The Subrecipient warrants and assures H-GAC that it possesses adequate legal authority to enter into this Agreement. The Subrecipient's governing body, where applicable, has authorized the signatory official(s) to enter into this Agreement and bind the Subrecipient to the terms of this Agreement and any subsequent amendments hereto.

Employees of the Subrecipient are subject to the exclusive control and supervision of the Subrecipient. The Subrecipient is solely responsible for employee related disputes and discrepancies, including employee payrolls and any claims arising therefrom.

ARTICLE 7: PAYMENT OR FUNDING

Any payment or funding claimed by Subrecipient shall be paid by H-GAC only under the specific terms set forth in the Special Provisions and Scope of Work. ARTICLE 8: REPORTING REQUIREMENTS

If the Subrecipient fails to submit to H-GAC in a timely and satisfactory manner any report required by this Agreement, or otherwise fails to satisfactorily render performances hereunder, H-GAC may withhold payments otherwise due and owing the Subrecipient hereunder. Subrecipient's failure in reporting or performance may be considered cause for termination of this Agreement. If H-GAC withholds such payments, it shall notify the Subrecipient of its decision. Payments withheld pursuant to this Article may be held by H-GAC until such time as the delinquent obligations for which funds are withheld are fulfilled by the Subrecipient. The Subrecipient's failure to timely submit any report may also be considered cause for termination of this Agreement.

Any additional reporting requirements shall be set forth in the Special Provisions of this Agreement.

ARTICLE 9: NON FUNDING CLAUSE

Any obligation of H-GAC created by this Agreement is conditioned upon the availability of state or federal funds appropriated or allocated for the payment of such obligations. Subrecipient shall maintain insurance coverage for work performed or services rendered under this Agreement as outlined and defined in the attached Special Provisions.

ARTICLE 11: SUBCONTRACTS

Except as may be set forth in the Special Provisions, the Subrecipient agrees not to subcontract, assign, transfer, convey, sublet or otherwise dispose of this Agreement or any right, title, obligation or interest it may have therein to any third party without prior written approval of H-GAC. The Subrecipient acknowledges that H-GAC is not liable to any subcontractor or assignee of the Subrecipient. The Subrecipient shall ensure that the performance rendered under all subcontracts shall result in compliance with all the terms and provisions of this Agreement as if the performance rendered was rendered by the Subrecipient. Subrecipient shall give all required notices, and comply with all laws and regulations applicable to furnishing and performance of the work. Except where otherwise expressly required by applicable law or regulation, H-GAC shall not be responsible for monitoring Subrecipient's compliance, or that of Subrecipient's subcontractors, with any laws or regulations.

Subrecipient who spend seven-hundred fifty thousand dollars (750,000) or more of federal assistance under this contract or cumulatively under all federal contracts in a fiscal year are required to have an audit conducted annually in compliance with 2 CFR 200. Subrecipient agrees to submit all written reports of monitoring or audits to H-GAC within 30 days of issuance. Any reports that contain

findings from an auditor must also include a corrective action plan from the Subrecipient in accordance with 2 CFR 200.511.

H-GAC, through its staff or designated public accounting firm, the State of Texas, and United States Government, shall have the right at any reasonable time to inspect, copy and audit those records on or off the premises by authorized representatives of its own or any public accounting firm selected by H-GAC. The right of access to records is not limited to the required retention period, but shall last as long as the records are retained. Failure to provide access to records may be cause for termination of the Agreement. The records to be thus maintained and retained by the Subrecipient shall include (without limitation): (1) personnel and payroll records, including social security numbers and labor classifications, accounting for total time distribution of the Subrecipient's employees working full or part time on the work, as well as cancelled payroll checks, signed receipts for payroll payments in cash, or other evidence of disbursement of payroll payments; (2) invoices for purchases, receiving and issuing documents, and all other unit inventory records for the Subrecipient's stocks or capital items; and (3) paid invoices and cancelled checks for materials purchased and for subcontractors' and any other third parties' charges.

- B. To ensure the legal and effective performance of this Agreement, both parties agree that H-GAC may amend performance under this Agreement, during the contract period, by issuing policy directives to establish or clarify performance requirements under this Agreement. After a period of no less than 30 days subsequent to written notice, unless sooner implementation is required by law, such policy directives shall have the effect of qualifying the terms of this Agreement and shall be binding upon the Subrecipient as if written herein, provided however that such policy directives shall not alter the terms of this Agreement so as to relieve H-GAC of any obligation specified in this Agreement to reimburse Subrecipient for costs properly incurred prior to the effective date of such policy directives.

- C. Except as specifically provided by subsections A and B of this Article, any other alterations, additions, or deletions to the terms of this Agreement shall be by modification hereto in writing, and executed by both parties to this Agreement.

 - reconfigure the road right-of-way on the southeast end of Coyote Run as shown hereon, which now supercedes and redefines the previous turnaround easement shown on said plat of DEER FOREST SUBDIVISION.
 - reconfigure both of the thirty by thirty foot (30'x30') Drainage Easements along said Coyote Run.
 - create the twenty foot (20') wide Drainage Easement and reconfigure the twenty-five foot (25') Vegetative Buffer within LOT 30A as shown hereon.
- Bearings, Distances, Coordinates and Acreages hereon are referenced to the Texas State Plane Coordinate System, Central Zone, NAD 83 (2011), NAVD 88 (GEOID 18) and based upon N.G.S. OPUS post-processing and GPS Observations. Distances are U.S. Survey Feet (Grid) and may be converted to geodetic horizontal (surface) by dividing by a Combined Scale factor of 0.99990.
- Based on the graphic location of the available GIS data from the Federal Emergency Management Agency (FEMA) Flood Map Service Center (<https://msc.fema.gov/portal/search>) superimposed upon the subject tract, and based on the FEMA Flood Insurance Rate Maps, revised 16 August 2011, Walker County #481042, Map #48471C0550D, Panel 0550D, this property is located within:
 - Flood Hazard Zone "X" OTHER AREAS (areas determined to be outside the 0.2% annual chance floodplain).This statement does not imply that any portion of the subject tract is free of potential flood hazard; localized flooding can occur due to natural and/or man-made influences. This flood statement shall create no liability on the part of Namken, Inc. or the undersigned.
- Monuments shown hereon as found are controlling monuments, unless noted as reference only.

It is the responsibility of lot owners to comply with any regulations or limitations noted, and permits issued by Walker County for development do not act as a waiver or variance of the lot owner's responsibility to provide for excess runoff and drainage created by the permitted development. If detention of water is necessary in order to comply with the local, state, or federal regulations including but not limited to the Walker County Subdivision Regulations then the owner may be able to accomplish compliance with said policies through creating detention on a single lot, multiple lots, or the entire subdivision depending on the circumstances involved and depending on the owner's ability to obtain the cooperation of other owners in the subdivision. - All lots within the subdivision and the owners thereof must continue to accept all existing drainage flows and drainage structures in place at the time of development that are a part of or necessary to the existing or designed roads infrastructure or the existing or designed system of drainage, in addition to all natural flows of water entering onto or crossing the property.
